PRICING BASIS: SICOM (Singapore Commodity Exchange) weekly average reference price for week ending 24 February 2026, adjusted for grade premium/discount as agreed in contract SC-2026-SRI-JAP-089. Final weight per SGS weight certificate. Final invoice adjusted accordingly.

PHYTOSANITARY: Phytosanitary Certificate No. PH-DOA-2026-02-00789 enclosed — issued by Dept. of Agriculture, Thailand, confirming goods free from Pestalotiopsis sp. and other regulated pests.

TEMPERATURE: STR-5L and RSS-1 grades — standard dry container. TSR-L requires temperature-monitored handling (optimum 15–25°C) to prevent blocking. Skim Rubber — standard dry container. **Note: No Reefer container required for this shipment** — original booking for 20'RF cancelled per buyer email 15 Feb 2026.
